To advance interest in flight and aviation, the Prescott Airport Users Association (PAUA) annually makes available one (1) Tom Parkes Scholarship of \$500.00. Applications may be submitted at any time within the year. The only set criteria for this scholarship is the completion of a successful check ride within three months of the application date.

To support your application, PAUA requests that you prepare an essay, of a length adequate to make your case, stating why you would be a worthy recipient of this Scholarship.

Recognizing that individuals and circumstances vary, the content of your essay is up to you.

Possible topics might include (and again, none of these are required criteria):

- What is behind your interest in flying, e.g., career, challenge, fun, learning, fellowship, etc.;
- Why do you need financial support;
- Were there obstacles you overcame to get this far in your training; and
- What are your next objectives in aviation?

The PAUA Board of Directors, in its sole discretion, will make all decisions regarding this award.
